## Statement of Intent

**This statement of intent should be signed and dated by both the Headteacher and Chair of the Governing Body, and then displayed where it can easily be seen within the School.**

At Wallsend Jubilee, the children and their learning are at the very heart of every decision made. This policy reflects our pupils and does not discriminate against any of the protected characteristics.

The school will help the students to develop an inner discipline and will encourage pupils to not just 'follow the crowd' – they will make up their own minds and be ready to accept responsibility for what they do. They will grow through making choices and holding to the choices that they have made. They will want to be honest with themselves and with others. The Spiritual, Moral, Social and Cultural education of pupils at Wallsend Jubilee is cross-curricular and not limited to specific SMSC lessons.
