Statement of intent

Our policy has been created with health and safety, value for money, and practicality at its heart. It has been designed to ensure pupils wear clothing conducive to a successful learning environment. It is important that our pupils feel a sense of belonging and community through a smart and practical uniform.

We believe a uniform allows all pupils, regardless of background, to feel equal to their peers and confident in their appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports specific attire.

Wallsend Jubilee is committed to ensuring equality and value for money, and that no pupil is discriminated against due to their religion or belief, economic circumstances or social and cultural background – this policy contains provisions to meet these objectives. Signed by:

Headteacher D.Harrison

Chair of governors: Katrina Moffat

1. Legislative framework

1.1 This policy has due regard to statutory legislation and national guidance, including, but not limited to the following:

- The Education and Inspections Act 2006
- The Education Act 2011
- The Human Rights Act 1998
- The Equality Act 2010
- DfE (2014) 'School Admissions Code'

2. Cost and availability

- 2.1. Under the School Admissions Code 2014, the school must ensure that "policies around school uniform or school trips do not discourage parents from applying for a place for their child"¹.
- 2.2. Wallsend Jubilee is committed to fulfilling the DfE's recommendations on costs and value for money. Every care has been taken to ensure that our uniforms are affordable for all current and potential pupils, and that the best value for money is secured through reputable suppliers.
- 2.3. Wallsend Jubilee works with multiple suppliers to obtain the best value for money. Any savings negotiated are passed to parents where possible.
- 2.4. The school does not enter into exclusive single supplier contracts or cash-back arrangements.
- 2.5. The school does not amend uniform requirements regularly and takes into account the views of parents and pupils when considering changes to school uniforms.
- 2.6. Where wholesale changes are required, the school ensures that assistance is provided to parents struggling to meet the associated costs.

3. Religious clothing

- 3.1. Some religions and beliefs require their members to conform to a specific dress code. Wallsend Jubilee does not discriminate against any religion or belief; however, the school must weigh the needs and rights of individual pupils against the cohesion and health and safety concerns of the entire school community. The school endeavours to allow most religious requirements to be met.
- 3.2. Parents' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the head teacher and governing board, and always in accordance with the school's Complaints Procedures Policy.
