LO: I can find alternative words ( synonyms) to  
up -level my sentences

1) Read the first two pages of *Gregory Cool*.

2) Are there any words that you need to find the meaning of?

Write them down here: \_\_\_\_\_

3) Using an online 'thesaurus' or asking a grown up, can you find alternative ( synonyms) words to these words used in *Gregory Cool*?

Here is a link you can use: [kidthesaurus.com](http://kidthesaurus.com)

smell: \_\_\_\_\_ ( remember it needs to be a plural below)

laugh: \_\_\_\_\_ ( remember it needs to be past tense below)

saw: \_\_\_\_\_

look: \_\_\_\_\_ ( remember to make it an 'ing' word)

4) Rewrite these sentences out with your new words. Do they still make sense?

The air was stifling and the strange smells disturbed him.

Granny and Grandpa just laughed as they took him inside and showed him his room.

The last he saw before he fell asleep was a lizard looking down at him from the ceiling.

**Extension: ( Group 1) can you create your own sentences with up-levelled words.**
