

## Year 5 Maths

### Multiplication & Division

How to complete your Math's lessons:

1. Click the link
2. Complete the quiz
3. Watch video (you can re-watch the video as many times as you need to)
4. Complete worksheet
5. If you can, send your work to your Math's teacher!

You will find the whole unit here: (we are starting with lesson 3 as we've already learnt about factors and multiples)

<https://classroom.thenational.academy/units/multiplication-and-division-6f51>

Individual lesson links can be found below:

Monday 30th November - Lesson 1 - Prime Numbers

<https://classroom.thenational.academy/lessons/prime-numbers-65j38e>

Tuesday 1<sup>st</sup> December- Lesson 2 - Factors and Multiple Chains

<https://classroom.thenational.academy/lessons/factor-and-multiple-chains-6gvp6c>

Wednesday 2<sup>nd</sup> December- Lesson 3 - Multiplying and Dividing by 10, 100, 1000

<https://classroom.thenational.academy/lessons/multiplying-and-dividing-by-10-100-1000-64t68e>

Thursday 3<sup>rd</sup> December - Lesson 4 - Doubling and Halving Strategies

<https://classroom.thenational.academy/lessons/doubling-and-halving-strategies-65hpac>

Friday 4<sup>th</sup> December - Lesson 5 - Using derived facts to multiply mentally

<https://classroom.thenational.academy/lessons/using-derived-facts-to-multiply-mentally-69j3ct>

Monday 7<sup>th</sup> December - Lesson 6 - Calculating Flexibility

<https://classroom.thenational.academy/lessons/calculating-flexibly-c8up2d>

Want more Maths? Of course, you do!

- Maths games to practice addition and subtraction skills:  
<https://www.topmarks.co.uk/maths-games/7-11-years/addition-and-subtraction>
  - Maths games for multiplication and division:  
<https://www.topmarks.co.uk/maths-games/7-11-years/multiplication-and-division>
  - Maths games to practice times tables skills:  
<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>
  - Or practice your problem solving skills:
