Even though there is no dialogue we can still infer ( make an educated guess) what the story is about.

Have a go at completing this 5 sentence retell. You can draw pictures to help you for each finger as well.

I have done the first sentence to help.

**Once** there lived a young girl, who was gazing out of her window, on a gigantic, blue whale in the dazzling blue sky, when suddenly a strange bird startled her!

**Unfortunately,** \_\_\_\_\_.

**But,** \_\_\_\_\_.

**However,** \_\_\_\_\_.

**Finally,** \_\_\_\_\_.

CHALLENGE \*If you want to complete an extra task, copy this link to practise using apostrophes when combining words eg she'll
