I can use speech to record dialouge.

Take a look at the following video to remind yourself of the rules of speech -

<https://www.youtube.com/watch?v=uoE9ET6CtaI>

Remember that the inverted commas or speech marks " " only go around what the person is saying. Have a look at some examples below.

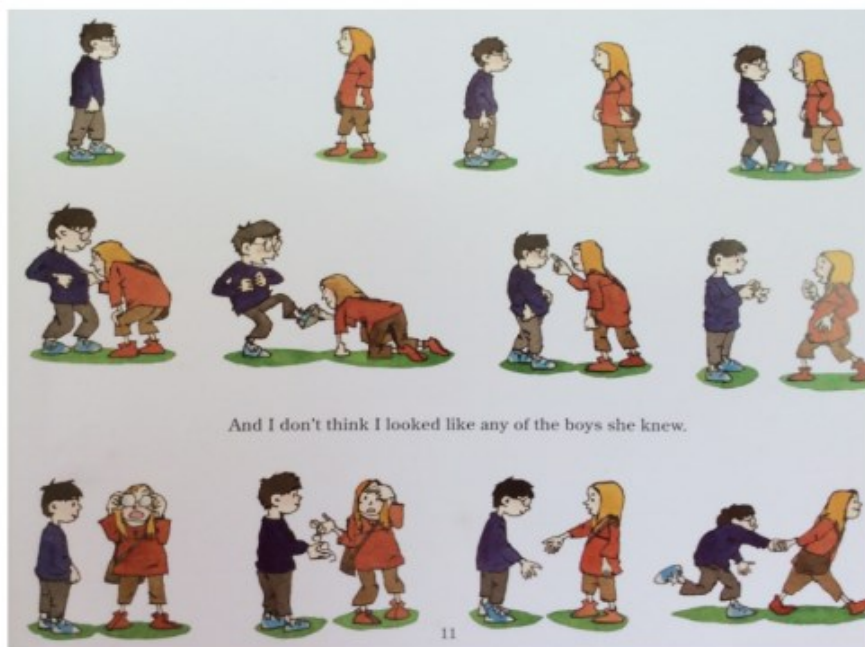

"I need some help!" Miss Cowen screamed.

"What did you get for your birthday?" Andrew questioned.

"How many would you like?" Mabel enquired.

"Do you want to play with me?" Sally bellowed.

Have a look at this picture from the book. Your task is to write down what you imagine the boy and Om are saying to each other. I would like you to write 6 sentences. Please remember new speaker, new line. DO NOT FORGET SAID IS DEAD. Use some of the synonyms for said which I have included below.

SAID IS DEAD!

yelled	whispered	announced
chirped	replied	blurted
chuckled	snapped	peeped
answered	demanded	exclaimed
mumbled	whispered	shouted
called	added	sang
questioned	begged	declared
cried	hissed	screamed
