

It is the #1 risk (1st on the list among parents)
Cancer.
I better because there's no bombs or war
it worse cause he would miss his mum
even more.

- It is better than their old life because it is there is fresh air and safety.
- It is better because they have proper food and two trust full people to take care of them.
- It's worse because they have to go to a new school with random people.
- It is better.
