

Times Table Rock Stars - How to Log On

Click on the link below to access the login page for Times Table Rock Stars:

<https://play.ttrockstars.com/auth/school/student>

type in our school name:

Wallsend Jubilee Primary School

(it should appear as you type wallsend ju)

Your computer or tablet may remember this step once you've done it once - or you may need to do it each time you log on.

Click on the school, which will take you to a username and password page.

Your username is your ntlp email address - remember to put @ntlp.org.uk

You then need to click on password (the picture of the padlock) and **enter the password I send you** (each of you has a different password - don't share it with anyone else and don't change it)

Enter your password and click Log In

Once in, you will be asked to choose a rock star name and you have a choice of 6 games to play and earn coins (which you can spend on skins and guitars etc).

You can check your progress and stats in your profile and see how you compare to the rest of Year 5 and try to become a Times Table Rock Star.
