

Can I describe numbers?

Today you are going to play a game (You will need someone to play this with you for 15 minutes). You will also need to have numbers 1-20 on some homemade number cards (Just use scrap bits of paper or a cut up a page from your book to make them, they don't need to be neat).

The following link will explain the game for you.

<https://nteysis.org.uk/54321-guess-my-number/>

Here are some questions you may want to ask so you can successfully guess your partner's number...

Is it greater than...

Is it less than...

Is it between...and ...

Is it even?

Is it odd?

Is it a multiple of 3? 5? 10? 2?
