

**Friday 5th June**

**Year 3 poetry exploration**

Read through the poem then try some of the tasks suggested underneath

Where?

Where do you hide a leaf?  
In, if possible, a forest.

Where do you hide a wind?  
Among a straw in dust.

Where do you hide a horse?  
Within a cloth or sea.

Where do you hide the sun?  
Behind clouds, under horizons.

Where do you hide water?  
Below a terrible flood.

Where do you hide a storm?  
Inside a ghost or magician.

Where do you hide a word?

Dave Calder

You could try...

Reading the poem together with an adult  
Spotting the hidden words in each second line (see example in line 2)  
Spot words within other words you come across - collect some!  
Collect other examples of prepositions e.g. above, outside etc.  
Create your own poem with hidden words for someone to solve
