I can write a character description.

Yesterday you should have created a bank of adjectives that describe Om. You should have also chosen a few phrases from the list that I gave you that you think are appropriate for her appearance. Take a look at how I write a character description. Please use the wow phrases to uplevel your sentences. I expect at least 5 sentences.

The girl had a small, oval and pale face that was as white as a porcelain doll. Her mud brown eyes were as small as an ant. On top of her head, lay a mount of tamed, reddish hair that cascaded down her back. The clothes she wore were shapeless, battered and dirty and hid her athletic, dainty and graceful figure. Her legs were as thin as a matchstick.
