

Topic: Our Wonderful World

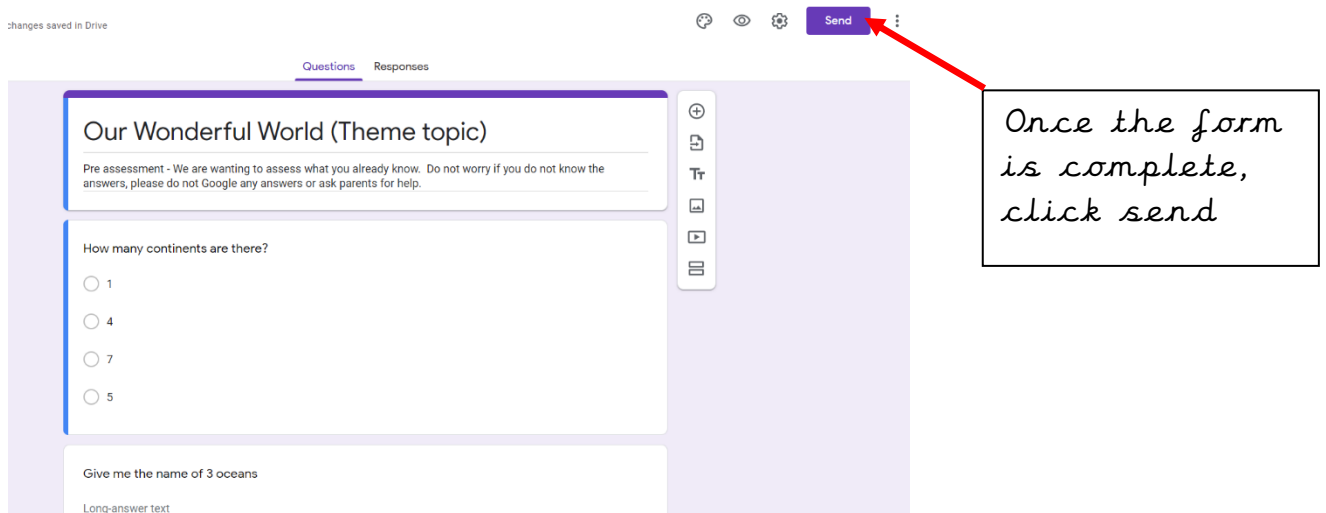

This week we are going to complete a pre assessment using google forms. You are going to answer as many questions as you can and send the form to Miss Tappenden once you have completed it. Do not worry if you don't know any of the answers as we haven't started this topic yet, we just want to see what you know already. Do this on your own without any support (Adults can read the questions).

Follow this link to the form:

Once you have sent the form back see if you can research some of the answer you were stuck on using Google ☺

See below how to send the form if you are unsure...

The screenshot shows a Google Form titled "Our Wonderful World (Theme topic)". The form includes a pre-assessment introduction and two questions: "How many continents are there?" with radio button options 1, 4, 7, and 5; and "Give me the name of 3 oceans" with a long-answer text field. In the top right corner, a purple "Send" button is highlighted with a red arrow. A text box next to the arrow states: "Once the form is complete, click send".

This box will appear. Type Miss Tappenden's email address here and send...
