

Monday 1st February 2021

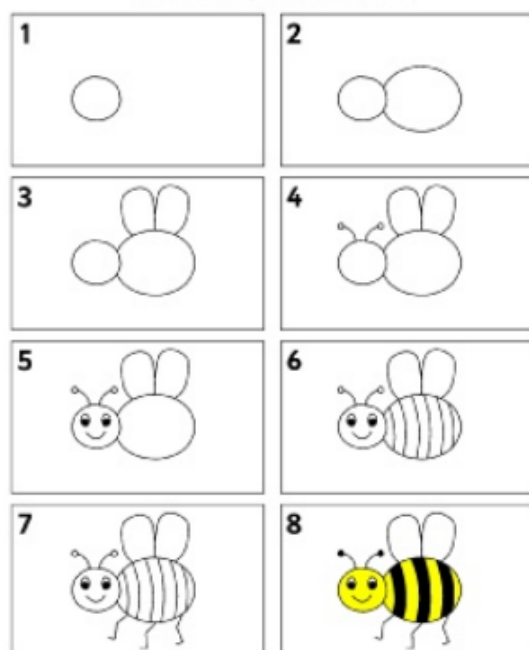

Today we will be starting a new unit of work. Have a go at some of the tasks on the next few pages.

You will need someone to work with to complete this task.

How to Draw a Bee

Use these instructions to help you draw a simple cartoon bee.

Ask a sibling or adult to follow what you say. Do not tell them what they are going to be drawing. Talk them through step 1-8 and see if their drawing looks like what it is supposed to at the end.

What sort of words did you have to use when you were explaining?

What do you think our new unit is going to be?

Instructions

Write a list of all the things/places where you may need to follow instructions. I have done one for you:
