

### English Task - 24.4.20

Happy Friday everyone! Thank you for your hard work this week. To finish this week's activities, we would like you to choose 2 of your cartoon scenes from yesterday and have a go at recording them as a scene from a story with dialogue.

Try to include the following rules when recording the dialogue (speech):

Speech marks around the spoken words	
Punctuation mark before the closing speech mark eg. "Come on, you can do it!"	
New speaker - new line (whenever the speaker changes - start a new line)	
Better words for 'said' eg. Shouted (*Think about how the character will be feeling*)	
Use of adverbs eg. Nervously	
Reporting clause sometimes begins the sentence (eg. David replied nervously, "The water looks really high, I'm not sure about this?"	

Look at Mrs Holland's example on the next page -

The German airman stared anxiously into David's face and quietly whispered, "Please, help us. My friend is injured and we have no food."

"Help you?!" screeched David furiously. "You have been bombing my country and trying to kill my friends and family, there is no way we are helping you!"

Tucky shuffled from foot to foot, thinking to himself carefully. "But they just saved your life," he mumbled silently. "Maybe we should be helping them?"
