

12/11/21

Next week, we will be looking at these calculations in our '*Morning Maths Meetings*'.

Have a look at them and answer the following questions, you can always ask your grown up to help you. Enjoy!

| Monday | Tuesday | Friday |
|--------|---------|--------|
| 119+26 | 198+7 | 249+22 |
| 118+17 | 199+13 | 248+49 |
| 129+16 | 148+27 | 225+49 |
| 124+26 | 139+43 | 299+26 |

- What do you notice about each day's calculations?
- What is similar?
- What is different?
- Were there any number facts that helped you to solve these calculations?

REMEMBER- we will be completing these in class, so don't worry if some are tricky.
