

English Activity - 23.3.20

We are going to continue with the theme of World War 2 in English and would like you to listen to chapter one of Friend Or Foe by Michael Morpurgo on the following link:

<https://www.bbc.co.uk/teach/school-radio/english-ks2-friend-or-foe-episode-1-leaving-london/zk23nrd>

If the link doesn't work, type friend or foe chapter one bbc in google and follow the links from there.

Once you have listened, we would like you to research the reasons why children had to be evacuated during World War 2. You can use books, the internet, You Tube etc. to do your research and then produce a slideshow, page, booklet or page in your exercise book explaining why children had to be evacuated.

Good luck and have fun.
