

Recap from yesterday

"I bought you a chocolate egg,"
said Grendel's mum.

"CHOCOLATE!"

said Grendel.

"Give it to me!
Give it to me!"

"I was only going to
give it to you if
you were good,"
said Mum.

"I'll be good.
I'll be good..."

Grendel snatched
the chocolate egg
and ran.

Task 4

What do you think of Grendel now?

“snatched” “Give it to me!”
Do we know more about his character?

Inside the chocolate egg was a note.
A note?
You have three wishes, it said.

“Three wishes?” said Grendel
He didn’t believe in magic.

“I just wish I had MORE
chocolate!” he said.

Task 5

What would you wish for?

What else do you think Grendel is going to wish for?

He was just about to wish the **WHOLE WORLD**
was chocolate when he stopped...
No. He had to be **SENSIBLE**.

"I know!" he said.

"I wish ... everything
I touch turns
to chocolate!"

The note was chocolate.

YUM!

He was sitting on a chocolate log.

SNAP!

MMM.

He turned the trees
to chocolate.

DELICIOUS!

Task 6

What do you think about Grendel's wish?

Task 6

Can you see any other problems Grendel will have?

How will he solve the problem?

"Grendel!
What have you done?"
said Mum.

Read on and find
out more and how
the story ends...

or

"NOOOO!!" said Grendel.
"Mum! Mum! Speak to me, Mum!"
But she didn't say a word.

"I hate chocolate!"
he roared.
"I hate it!
I hate it!
I HATE it!"

The sun was hot.
Mum ... was ...
starting ... to ...
melt!

"What have I done?" said Grendel.
He was just about to say that
he wished he wasn't so stupid
– when he stopped...

"I've got *one more* wish!
Think, Grendel, think. *Carefully.*"

He had an idea. He closed his eyes
and crossed his claws.

"I wish ...

"it was ... **YESTERDAY!**"

His pillow wasn't chocolate.
Or his blanket.

He heard singing.

What a wonderful, familiar sound!

"Mum!" he cried.
"You're not chocolate!"
"Me? Chocolate?"
she laughed.
"No, dear."

He hugged her for a
long, long time. And then
he hugged the dog.

"What's happened to you?"
she said.

"You're so different!"

Then she smiled.

"You are a good little
monster really."

"Look, I bought you a chocolate egg!"
"You have it," said Grendel.
"Grendel? Are you sure?"
"Yes, Mum. But if there's a little note inside..."

There WAS a little note inside.
"YOU HAVE THREE WISHES."

And he told her the whole story.
And of course the moral of this story
is to be careful what you wish for.

And they were ...

VERY careful indeed!

Things to think about...

Did you like the story?

Can you see why it is
a cautionary tale now?

Would you change your
3 wishes now?
