LO: I can make predictions about a text with evidence to back it up.

As part of our unit 'Stories from a different culture' we will continue to focus on the Caribbean with our new story 'Gregory Cool'.

Using the front cover, blurb, and review, write at least 3 sentences about what you think might happen.

Use evidence to support your prediction e.g.

1) I predict that he makes everyone laugh because the review says there's humour in it.

2) \_\_\_\_\_

3) \_\_\_\_\_

**Extension: Research some facts about the Caribbean**

Blurb .....

When a cool city boy meets the full warmth of the Caribbean . . . anything can happen.

"Full of warmth, humour and charm."
