

### Morning Year3 / 4

Here is my daughter's pet hamster to help you with this week's spellings. Her name is Narla. She is 18 months old and is very grumpy in the mornings. Her favourite activity is rolling around the house in her hamster ball.

Do you have a pet? Can your pet help you with this week's spellings?

Create your own funny sentences using the words above.

1. Narla is always **busy** trying to escape from her cage.
2. I **believe** Narla escapes out at night and eats all of my chocolate.
