

## Week 2 English—Dinosaur facts

This week we are going to be thinking about dinosaurs and creating fact files. I know lots of you already know some great facts about dinosaurs and we would love to hear them!

**Monday**— Read through the powerpoints below all about dinosaurs. How many dinosaur names did you already know? Choose your favourite dinosaur and draw a picture. Can you label your picture with the following labels—tail, nose, claws, legs, teeth. Can you also write a sentence telling me something about the dinosaur you have chosen?
