

## **Maths and English skills that will be useful to look at ready for Year 3**

### **Maths**

- 2, 5, 10 and 3 times tables
- Showing that addition and subtraction can be done in any way (commutative)  
eg  $5 + 7 = 12$      $7 + 5 = 12$
- Number bonds to 100
- Finding fractions (whole, half, quarter and a third)
- Finding o'clock and half past on a clock
- Recognising coins, being able to add them and also give change.
- Recognising 2D and 3D shapes

### **English**

- To be able to punctuate sentences correctly using capital letters, full stops, question marks and exclamation marks.
- To be able to use speech in their writing
- To know the purpose of adjectives, verbs and nouns
- To use conjunctions to extend their sentences (and, but, then, because, so)
- To use a variety of sentence openers (prepositions, adverbs, time connectives)
