Read, Write Inc at Wallsend Jubilee

We want our children at Wallsend Jubilee to '*read to learn*', not just '*learn to read*'. At Wallsend Jubilee we understand that reading opens the door to learning and a child who is a confident reader will continue to learn successfully.

The government now recognises the model of the 'simple view of reading', recommended in the Rose Report (2006). Children need to have both good word recognition and good oral language comprehension in order to read.

The Read, Write Inc programme teaches reading and writing and is an inclusive literacy programme for all children learning to read. It aims to have all children reading by the age of 6 - 7 out of 12 schools in the HMI Ofsted report children reading by six using *Read Write Inc*.

Using RWI, the children learn to read effortlessly so that they can put all their energy into comprehending what they read. It also allows them to spell effortlessly so that they can put all their energy into composing what they write.

An essential feature of Read, Write Inc lessons is partner work. This is based on the learning pyramid.

Teaching others is the most effective way of retaining learning. In Read, Write Inc children have the opportunity to work with a partner to consolidate their learning

Aim

- For **every** child to make progress in Read, Write, Inc

How Read, Write Inc is taught in Wallsend Jubilee

Reading

The children:

- learn 44 sounds and the corresponding letters/letter groups using simple picture prompts
- learn to read words using sound blending
- read lively stories featuring words they have learned to sound out
- after meaningful discussion led by an adult children show that they comprehend the stories by answering questions

Writing

The children will:

- learn to write the letters/letter groups which represent the 44 sounds
- learn to write words by saying the sounds and graphemes
- learn to build sentences orally using adventurous vocabulary
- start with simple sentences and develop towards more complex ones by the end of the programme
- use punctuation that is appropriate for their groups level. Punctuation includes; capital letters, full stops, question marks, exclamation marks, apostrophes, speech marks and commas.

Talking

Children are assessed so they work with children at the same level. This allows them to take a full part in all lessons. They work in pairs so that they:

Children are regularly assessed using Read, Write Inc phonic assessments and work within ability groups. Pupils are re-assessed throughout the year and groups are reorganised accordingly.

In every classroom and teaching area there will be many displays to support Read, Write Inc. Speed sounds charts, red words, 'Power words' and 'Zog words' will be displayed to reinforce spellings and sounds taught through Read, Write Inc. The displays will further children in class during any writing tasks.

Resources

Resources will be kept in a central location for all teaching staff to collect when needed and returned when finished with. All resources will be boxed and colour coded. It is the responsibility of every adult to return all resources to the right box when finished with. Resources will be checked regularly at the end of each half-term by the Read, Write Inc Manager. New resources will be ordered when needed.

ALN Pupils

All children who complete the scheme will be grouped accordingly and will be placed into a comprehension group using and consolidating the skills they have acquired on the Read, Write Inc programme. Thereafter, children will be placed into 'Basic Skills' groups where they can continue to consolidate their knowledge and understanding. During the basic skills sessions children will complete spelling, guided reading, handwriting and grammar tasks.

Planning

Teacher generated planning is minimised as the planning is integrated into the Read, Write Inc teacher's handbooks. Each group will have a copy of the detailed planning for their colour group. Teaching staff may highlight and annotate planning to note next steps and issues to be addressed in future teaching.

Recording

Read, Write Inc promotes immediate feedback and pacy activities. Children will record their speed sound session on a whiteboard. Any other written activities such as 'Hold a sentence' will be recorded in books.

The Read, Write Inc manager will carry out assessments with children every half-term or whenever necessary to ensure children's progress is at least good. Results will be recorded on a spreadsheet and saved in the shared area where all staff have access to view the progress of any child on the scheme. The completed assessments will be stored in a central area so staff have full access.

Marking

Children will mark their own shorter writing tasks during their Read, Write Inc sessions under the guidance of the teacher.
