

## Morning Year 3 /4

Here is a grammar task that you can try.

### 2.4.20

Today we are looking at Fronted Adverbials. They are words or phrases that go at the beginning of a sentence to add extra information. Here are a few you may recognise.

**Yesterday, After a while, Behind the shed, Slowly, Out of breath,**

### **TASK :**

Add a fronted adverbial to these sentences.

- \_\_\_\_\_, Narla ate all of her food as quick as a flash.
- \_\_\_\_\_, I found Narla's hamster wheel all covered in paint.
- \_\_\_\_\_, Narla peeked out of her warm, cosy bed.

**Can you make up your own sentence using a fronted adverbial?**
