

23.4.20

Good morning Year 4.

Warm up:

Practise your times tables. You can either play Hit the button <https://www.topmarks.co.uk/maths-games/hit-the-button>

Or play a maths game on

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

Or practise doubling and halving random numbers. For example:

8 Double 8 = 16 Half of 8 = 4

Challenge: Can you double and half every number?

Task:

Today we are going to look at negative numbers.

Follow this link and watch the videos then have a go at a couple of the activities online or complete the activity below.

<https://www.bbc.co.uk/bitesize/articles/zkmv382>

Negative Numbers

Finish these number lines:

Challenge: Can you create your own?

Please email if you have any questions. Don't feel you have to complete everything, even just 10 minutes practise helps.

Remember to enjoy your learning. You are all amazing!

Mrs Miller and Mrs Taylor
