Friday 22nd May

Free choice Friday!

Well done Years 3 and 4 for making it to the end of Summer Term 1. We all miss you so much and can't wait until we're all together again.

Today you can choose 1 or 2 of the activities in the grid to complete.

Create your own shop. How much does it cost to buy 2 items? If you have £5 how much change would you get if you bought something? Can you draw or find the coins you would need to buy an item?	Research how much it cost to adopt an dolphin https://uk.whales.org/support/adopt/dolphin/?msclkid=8eeef2bab25c18993c21ac78e15249a3 **How much would it cost for every class in Years 3 and 4 to adopt a dolphin a month/ a year?**	How much is your name worth? Each letter of the alphabet has a value. A to e = 1p F to j= 20p K to n = 10p O to s = 5p T to w = 2p X to z= 50p **Tom is worth T=2p o= 5p m = 10p Tom = 17p Find the cost of other names (people or places)**
Research the cost of your favourite toys/ sweets. How much would they cost in a half-price sale? **TOP TIP! half price means divide the total amount by 2.**	Calculate if you saved £1 on the first week of the year then double what you save every week. How much money would you have saved by the end of week 52? Week 1 = save £1 Week 2 = save £2 ……..	You have been given £10 birthday money. Research what you would buy with it. How much change would you receive?
