

Isolation work

Here is a suggested timetable of what your child will miss in class during self-isolation and links for lessons and tasks. For English and Maths, begin your child's learning from lesson 1. More able learners can skip through lessons that they may find less challenging.

Basic Skills

Reading for enjoyment / Times Table Rockstars

<https://trockstars.com/>

Maths

Fractions (15 lessons)

[Unit - Oak National Academy \(thenational.academy\)](#)

English

The Borrowers- narrative writing

[Unit - Oak National Academy \(thenational.academy\)](#)

Afternoon

For our Theme we are exploring The Victorians.

You could

- Research Queen Victoria and her significance in the Victorian period.
- Sketch Queen Victoria.
- Write a diary as a Victorian child, discussing daily life and work/ school.
- Create a poster/ fact-file displaying everything your child has learnt about the Victorians so far.
- Explore Victorian Inventions and create a PowerPoint presentation about these to show in class.

Wishing everyone a speedy recovery,

Miss Atkinson and Mrs Williamson
