

Lesson 4: Can I find halves and quarters?

look at the instructions for 'Teddy Bears Picnic', you will need to share the items into halves and quarters (Remember to divide by 2 to find a half or 4 to find a quarter)

Teddy Bears Picnic

Find your four favourite teddies or toys. They are going to have a teddy bears' picnic!

You will need some items for the teddies to share, for example:

- 20 grapes
- 12 raisins
- 4 plates
- 1 chocolate bar
- 4 glasses
- 1 bottle of water
- 1 pizza

The teddies want to share everything equally.

Can you make sure that each teddy gets a fair share of the picnic?

Can you find half of 7? Explain...
