

Jubilee Journal Year 6 - Autumn Term 2

Welcome to our Wallsend Jubilee year 6 newsletter.

An opportunity for you to have a glimpse into life, in school, for your child this half term.

At Wallsend Jubilee we promote 6 R's for learning and aim to ensure that our children can:

'Be the best they can be.'

Due to a confirmed case of COVID 19 in our year 6 bubble children and staff spent time this half term isolating. You took **responsibility** for your own learning and produced some fantastic pieces of work.

Pupils have demonstrated their **readiness** to learn through excellent attendance and punctual starts to the day. Thank you to parents and carers for your support.

Our **Resilience** has been challenged as we continue to make changes to school routines and procedures, in light of COVID 19. All children should be proud of their ability to cope and change in these uncertain times.

Google meets have shown how we can take a **risk** in a safe environment, believe me most of the teachers didn't want to go on camera. But, you and they did it!

As a school we have thought carefully about how we can be **resourceful**, focusing on the things that can be done and not the things that can't. We might not have had a 'normal' lead up to Christmas but I'm sure you will all agree that what we could do, we have done well. We hope you enjoy the cards, calendars and crafts that your children bring home.

Moving towards the spring term we have **reflected** on our many achievements. As always we continue to strive to improve our communication with parents and carers. You will have received information regarding parent mail and will receive log in details for See Saw after the holidays. These two Apps will allow office staff, teachers and support staff to keep you up to date with both your child's learning and information about school.

As our children finish this half term we wish you all a safe, happy, and well deserved break. We hope you enjoy reading about their successes.

The Portia Spider

If you don't like spiders you may want to skip this section of the journal!!

In English, Year 6 have been learning about the portia spider and wrote non-chronological reports about this fascinating creature. Their reports have included features such as fronted adverbials and relative clauses.

Well done year 6 you worked hard on this and produced some fabulous work!

The Reading Nest

We are delighted to introduce you to our new school library project "The Reading Nest", - a literary environment of calm, natural elements, incorporating the theme of woodlands, the seasons and nature at the heart of this design.

"The Reading Nest" is an adapted space within the front entrance of the school intended to welcome visitors and nurture fledgling readers, whilst promoting the idea of reading as a fun, rewarding and enjoyable activity, a pleasure which young readers can carry forward into their future lives.

Whilst currently a "work in progress", significant steps have been made towards the project and phase 2 is currently underway. Despite the current restrictions in school, we hope to be able to make use of the space in small groups, starting in the not too distant future.

The next large part of the design is "the storytelling chair" which will be situated in front of the woodland backdrop, and will form the focus of the whole library environment.

The Reading Nest

We are delighted to be working with local artists and craftspeople, Chris Fielder and Nicola Rose, who have designed the project from its inception to its reality, and they continue to unleash their artistic talents and skills on each lovingly handcrafted piece of the library landscape. Nicola's Mum, Sabine also helped with the painting of murals and the new "Kindness Tree".

The storytelling chair is being hand-carved from a laburnum tree and will be ready for installation very soon.

You may be aware that the previous two years' fundraising projects within school have been with the intention of creating a library for our pupils and families to enjoy. Although we have not been able to fundraise at all this past year, we have been able to press ahead with the project, regardless.

We hope you enjoy the look of "The Reading Nest" and hopefully it will not be too long before you are able to see it in person. When the time is appropriate, we will hold an official opening ceremony for it, and details of this will be circulated at that time. Many thanks for your continued support.

13th November 2020

We celebrated the diversity of families, that they may look different, but they provide the same love and care. We learned that families come in all shapes and sizes, and each one is unique.

We wore odd-socks to do our home learning to remind us that we are all different and all unique. We designed our own odd socks and created posters to reinforce the message that we need to stand united at Wallsend Jubilee against bullies!

On the 11th hour on the 11th day of the 11th month, a 2 minutes' silence is observed and dedicated to those soldiers who died fighting to protect the nation.

On Wednesday 11/11/2020 we paid tribute to the men and women who serve in our defence forces and remembered those who have died or suffered in conflicts, wars and peacekeeping operations.

*They shall grow not old, as we that are
left grow old;
Age shall not weary them, nor the
years condemn.
At the going down of the sun and in the
morning
We will remember them.*

Here you can see us making our Christingles which were kindly donated by Life Vineyard Church in Wallsend. Thank you so much to the Church and all the helpers who put the packs together. We enjoyed watching your video explaining the meaning of Christingle.

The eagle eyed among you will have noticed not only our lovely year 6 children but also a sign behind them about friendship. Friends are important to us they bring more happiness into our lives than virtually anything else. Friendships have a huge impact on our mental health and happiness. Good friends relieve stress, provide comfort and joy, and prevent loneliness and isolation. Developing close friendships can also have a powerful impact on our physical health.

Friendship is important to us all at Wallsend Jubilee.

Home Learning

Here you can see Megan Campbell accessing her lessons via our website. Megan enjoyed meeting her class mates virtually on google meet each morning. She said although she enjoys home learning she is missing her friends.

Sebastian Dunn working on his maths work at home. Good to see he took time out of lessons to do something fun. You can see him here making chocolate brownies.

On 24th November 6GR had great fun doing a scavenger hunt during their daily Google class meet, here are some pictures.

Awards, Achievements & Celebrations

Jessica Margison made this fabulous cake for 'Children in Need'. The children learned about the history of Children in Need and what it stands for today.

And another culinary masterpiece made by Lila Fielder for 'Children in Need'.

It's a pity we were isolating as your teachers do love cake!!
