

# Fraction Frenzy

I can convert between mixed number and improper fractions.

Complete the table.

| Improper Fraction | Fraction Diagram                                                                    | Mixed Number    |
|-------------------|-------------------------------------------------------------------------------------|-----------------|
| $\frac{5}{3}$     |                                                                                     |                 |
|                   |                                                                                     | $1\frac{3}{4}$  |
|                   |   |                 |
| $\frac{11}{6}$    |                                                                                     |                 |
|                   |                                                                                     | $1\frac{4}{7}$  |
|                   |  |                 |
| $\frac{13}{9}$    |                                                                                     |                 |
|                   |                                                                                     | $1\frac{7}{10}$ |
