

Theme week beginning 5.7.20

Task one: Look at the art works below, they are all by local artist Ralph Hedley and can normally be seen in the Laing art gallery in Newcastle. Choose the one that most interests you. There is a separate resource with the names of the works and larger images.

Look at your chosen artwork really carefully

Create see, think and feel bubbles with your response to the art work. See my example below

Feel

- Calm looking at the cat relaxing.
- Confused at why the window is broken.
- Want to stroke the cat.

See

- Cat with closed eyes,
- Flowers in pots, Broken window, Curtains, dark room, plants outside are trying to get in.

Think

- It is a painting
- It looks old
- It looks like a warm day
- The cat is happy in her window

Task two: use the internet (ask an adult first) to find out more information about Ralph Hedley's life.

Add this information, as a thought bubble, to your picture.
