

## What is a habitat?

### Tasks 1

Watch this video to find out more about habitats. There is a glossary below to help you understand some of the vocabulary that you hear in the video.

<https://www.youtube.com/watch?v=ZrSWYE37MJs>

## Glossary

Evolved - to change over time

Adapted - get used to changes/new things

Visible - can be seen

Propel - to push

Disguise - to hide

### Task 2:

The videos below show you different habitats. Choose 2 or more habitats to find out more about. You then have 2 choices:

**Choice 1:** Write down 5 new facts you now know about the different habitats

**Choice 2:** Draw your favourite habitat and animals, labelling your picture.

Polar habitat
